

Challenge - Recreate the Layout

The object of this challenge is to practice adding elements and layouts using Tkinter.

For these "Recreate the Layout" challenges, I am not so concerned with an exact, pixel for pixel recreation. However, there will be required inclusions listed under each image.

Mild 🌶️

Recreate the following layout:

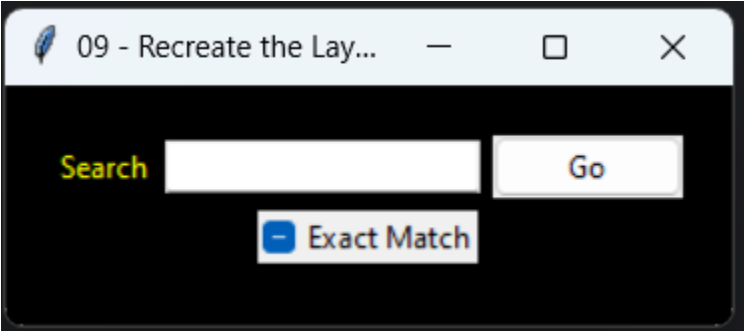

Be sure to include:

- The window title
- A frame
- 1 label
- 1 entry
- 1 button
- The label, entry, and button all share a row

Medium 🌶️🌶️

Recreate the following layout:

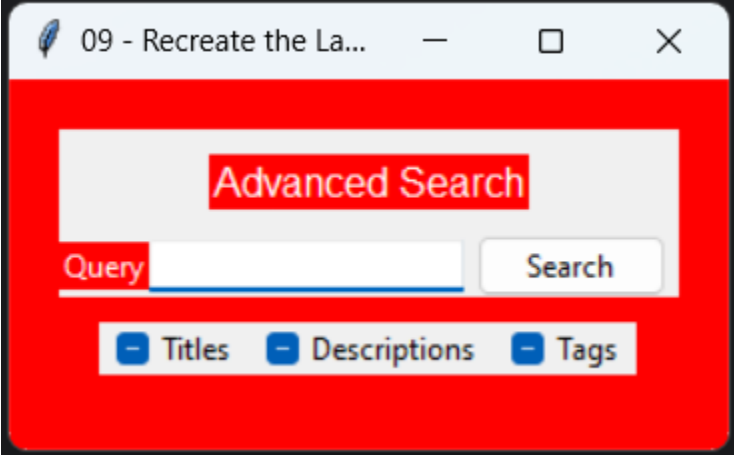

Be sure to include:

- The window title
- A frame with a color
- 1 label with a text color and background
- 1 entry
- 1 button
- The label, entry, and button all share a row
- 1 checkbutton that is centered
- There is padding around each widget to create space

Spicy 🌶️🌶️🌶️

Recreate the following layout:

Be sure to include:

- The window title
- A frame with a color
- A frame with no color that contains 1 heading label with a different font size, text color, and background, 1 label with a text color and background, 1 entry, and 1 button
- The label, entry, and button all share a row
- A frame with 3 checkbutton that is centered and the checkbuttons all share a row
- There is padding around each widget to create space
